

Did you know?

IMAGEN Brands offers some of the **fastest** production times and most **unique** decorating methods on **40+** styles of headware.

Image Lock

Available **exclusively** on our headwear, Image Lock is our proprietary heat transfer process specifically designed to accommodate the arced construction and seams of our caps.

1,500+
Image Lock
caps printed
daily

Color Surge

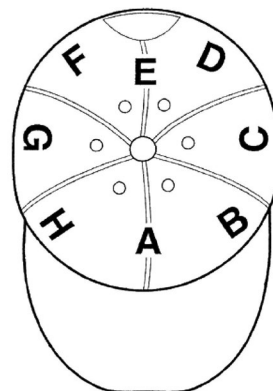

Our process of providing photo quality reproduction of your design using a paper transfer process and heat that provides excellent color registration on more than 300 of our products.

Embroidery

Classic and timeless. Embroidery involves using a digitized rendition of your design and sewing it directly onto any of our headware pieces.

Choose from a wide variety of imprinting locations!

Embroidery includes 10,000 Anywhere Stitches up to 4 locations and a **FREE** tape charge for the 1st location.
